# Malay Language - Apps

Apps can be downloaded from [Google Play Store](#) & [iTunes App Store](#)

1. Lagenda Singapura  
(Simulation Game)

2. Cerita Rakyat  
Nusantara (e-book)

3. Pintar Kata  
(Word Search)

4. Kamus Pro  
(Online Dictionary)

# Legenda Singapura

The app features six well-known Singaporean legends and is suitable for both school and home use. It aims to **enrich vocabulary and language skills**.

1. **Reading Section** \* Includes three formats "Listen to the Story", "My Reading," and "Read Aloud." You can read and record their readings in this section.
2. **Game Section.** Based on the story, ten words are selected for spelling practice.
3. **Proverb Section:** Each story incorporates three proverbs selected from the Malay language curriculum for primary schools.

# Cerita Rakyat Nusantara

Every **Malay Folklore** story has three sections.

**Dengar Cerita** - students can **listen** to the story narrated by the storyteller.

**Bacaan Saya** - students can **record their readings** and listen to the recorded readings.

**Bacakan Saya** - students can **read along with the storyteller**.

## Post-reading Activities:

There are also **three post-reading activities**, namely:

- Reading a two-line rhyme related to the story that has been read.
- Vocabulary game as a spelling exercise.
- Simple comprehension questions

# Pintar Kata

The "**Pintar Kata**" app is a game designed to stimulate the expansion of players' vocabulary. In addition to utilizing existing knowledge, players can identify new vocabulary through exploration and experimentation. **Give it a try!**

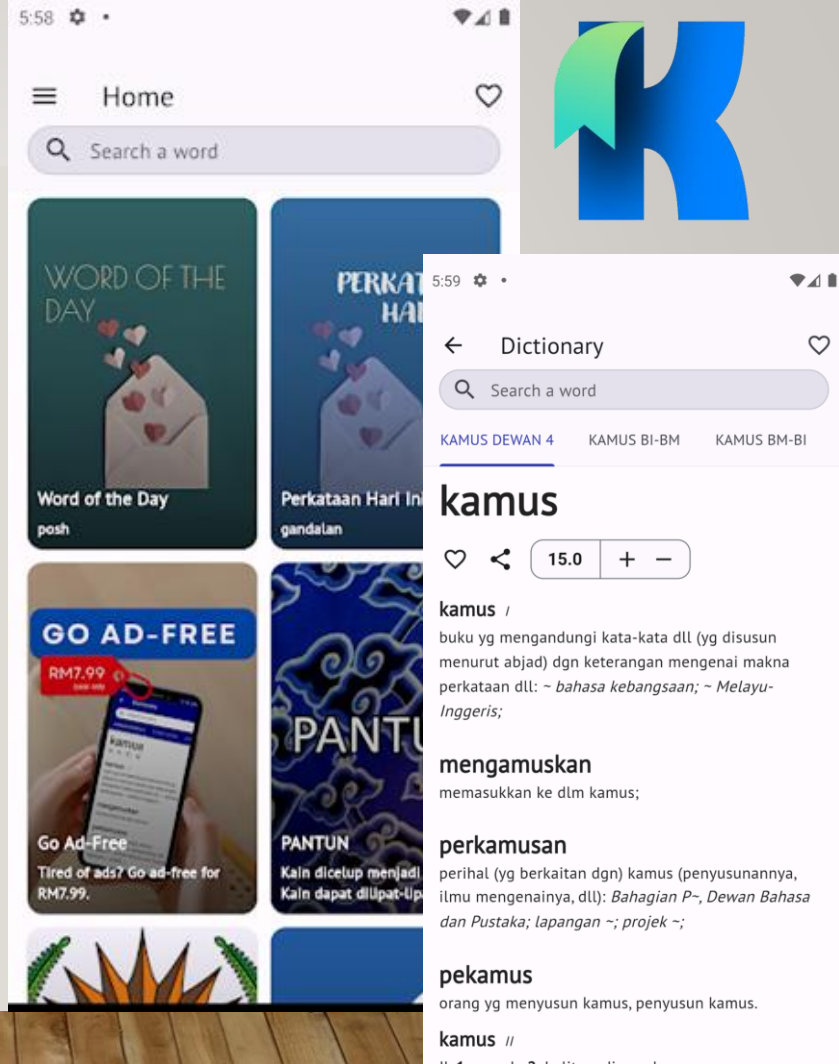

# Kamus Pro

Now, you can learn **English and Malay** anywhere!

Kamus Pro now runs on your Android smartphones and tablets. You can take **Kamus Dewan Edisi Keempat, Kamus Inggeris Melayu Dewan and other dictionaries with you, wherever you go.**
